- Sep ‘02 - Site graded
- Oct ‘02 - Foundation poured
- Nov ‘02 - Columns & beams erected (area 12)
- Dec ‘02 - Columns epoxied (area 12)

Steel Beams & Columns

Steel Columns Epoxied

Construction Safety

- Beginning next week, KCB Steel will be welding the columns and beams.
- Please ***do not stare or look at the welding as it will harm your eyes!***
- As always, be mindful of the construction site and please be patient with our progress.
